- In October Redmond Centre staff issued 12 vouchers for Hackney Foodbank.
- Our other food projects supporting asylum seekers and distributing fresh food to residents are going well.

NEWS AND EVENTS: PROJECT UPDATES

- Our free mindful photography course with Mindful Photo Lab is going well. Residents can sign up by emailing info@mhdt.org.uk or in person at the RCC.
- Woodberry Wetlands Action Group is planning a young peoples focus group in late November to explore the barriers to sexual and mental health services. We will also be focusing on support for residents with long-term health conditions, particularly around the isolation these conditions cause. The action group accompanied residents to attend the Neighbourhood Health Fair on 9th October.
