

BROADBAND PAYMENT TO
WDCO BOARD MEMBERS

WDCO pays only the Broadband bills of members within the month of issue and does not pay

- (1) Telephone services
- (2) Invoices in arrears of the month of issue
- (3) A photo copied bill

Members are advised to obtain original and dated bills on internet providers' letter head which is addressed to the member in question. The bill must show a current connection. The **BROADBAND** charge will be required as a proof of connection before any payment can be made.

When negotiating for internet services, members should go for the cheapest in the market. Where it has not been possible for a provider to clearly show how much of the internet bill is for Broadband, WDCO Executive has resolved to pay a maximum of £15.00 per month as broadband expenses to the member provided such a member has presented to the Treasurer the original of his or her entire internet bill.
