Roda

Should I ask you to forward this, or should I send it directly to Kalu?

Thanks

Adrian

Kalu

I will make the following purchases for the WDCO website using my own credit card, as all the suppliers operate on the internet only.

Please confirm that you will reimburse me from the WDCO budget on receipt of the invoices.

Many thanks

Adrian

Hi Kalu,

Please see below email from Adrain.

In his role as the Vice Chair of Communication, he is currently working on the development of the WDCO website. Adrian has put forth a proposal for several purchases related to the website. Could you please authorise the below proposal? If approved, he intends to use his personal credit card, with the expectation of being reimbursed for the expenses.

Many thanks,

Hi,

Thanks for your email on the above subject..

1. I cannot, on my own alone, approve any expenditure related to this item. I think that the detail has to be shared with and approved by the entire Executive Committee.
2. Although I heard in passing that Hackney Council has approved our 23/24 budget, up till now the Council has not made any payment to WDCO as representing part of that budget and I think it would be wise to have this issue cleared before holding any meetings on how to spend money on a new item in our present budget. The expenses we are running now are with left-over money from last year's budget and they cover such essential headings as VENUE HIRE, BOARD REFRESHMENTS, STATIONERY ITEMS, BANK CHARGES, ITEMS FOR WDCO OFFICE and so on.
3. If I am alone in the foregoing thinking, I suggest we hold a short Executive meeting on the issue as soon as possible.

THANKS

Kalu

Kalu

Thanks for getting back to me.

It is my understanding that I was appointed to the communications role in large part to revise the website, a responsibility. I believe that with that responsibility should go the authority to make the changes I see fit. The task was also allocated a budget at our annual budget setting meeting. later amended and approved by the full board. You have been appointed Treasurer, a role which I would expect carries with it the authority to make financial decisions. I am slightly surprised you feel the need to go back to the executive. It is disappointing that we have not had our grant from Hackney, some 7 months into the financial year. Would it be possible to streamline this process next year?

At the moment I am full of enthusiasm for the website project and want to crack on with it. Any delay at this stage would be disappointing.

The actual sums involved are quite small. The current website is a poor thing, and yet it is the public face of WDCO.

Please do grant the approval I have asked for.

Thanks
