Gareth

I have attached a document that I have called "Building institutional maturity." Which ties in quite nicely with the third of the grant objectives. "Enabling organisations to develop, grow, or deliver innovative services"

I hope we get a chance to talk about this on Wednesday.

Thanks.

Adrian,

FUNDING
UPDATE

Voluntary and community organisations may be interested in an upcoming funding opportunity from The WCIT Charity.

The WCIT Charity offers grants to UK-registered charities and not-for-profit organisations delivering projects that have a clear charitable impact.

Grant objectives include:

- Supporting projects that deliver positive social impact
- Improving opportunities, skills, and wellbeing within communities
- Enabling organisations to develop, grow, or deliver innovative services

Priority groups and themes include:

- Children and young people
- Digital inclusion, education, and skills
- Communities experiencing disadvantage or exclusion
- Projects that reduce inequality and improve access to opportunity

The next application deadline is **5:00pm on 6th February 2026**, with funding decisions expected to be made by **mid-March 2026**.

Organisations can find full eligibility criteria, guidance, and application details via the WCIT Charity website [here](#) or below.
