JOIN A NEIGHBOURHOODS FORUMS ACTION GROUP TODAY!

The Neighbourhoods Forums are looking for people who live in City of London & Hackney to help us shape the way we work and give their voice and input in to making real change in their Neighbourhood

Neighbourhood Forums give residents & professionals a space to locally and share ideas on improving health and wellbeing by working to remove barriers to local services, together.

Action Groups support the work of the forums, to make sure things are happening and action is being taken that can help make changes to local health and care services.

Joining an **Action Group** gives you a chance to get really involved and support your communities health and wellbeing.

- Talk to residents about health issues.

Projects

- In March we distributed just over 3,042,392kg of fresh food through Community Fridge, issued 32 Hackney Foodbank vouchers, and supported asylum seekers to cook 140 meals. Some of this food was also shared with the North London Muslim Community Centre who distribute the surplus food to their beneficiaries.
- We continue to support residents with ensuring they are claiming all the benefits they are entitled to, signposting and referrals to local services.
- RNID (Royal National Institute for Deaf People) are starting a twice monthly drop-in sessions to do hearing screenings, hearing aid checks and repairs and to gage if a peer support group would be useful.
- Weekly free mindfulness sessions have started as of 9th March. They run on Mondays between 6-7pm. No experience needed, all welcome.
- We are in conversation with the PEEP Learning Together programme that supports 2-3 year olds with early language development and parents with home learning materials.
- We have a new volunteer at the centre supporting us with various programmes and is part of the Hackney 100 programme. The Hackney 100 programme aims to support Hackney residents into meaningful employment with part-time voluntary and part-time paid work in an industry of their choosing.

SUMMARY

- These charts provide data on use of the RCC for the month of March 2026. We host different activities, some of which are open to the public, including church services, prayer meetings, exercise groups and community events. Community event represents events that are open to the public for free or at low cost eg: church, youth group, vegetable collection, yoga etc.
- The graph at the bottom right illustrates the percentage of the booking type we have at Redmond. Our primary bookings are regular reservations, which occur weekly or monthly and are offered at a discounted rate. LDT Funded bookings will be termed as booking that are funded fully or partially by LDT and no/little hiring fee has been charged for these bookings. We have a new regular booking that aims at supporting SEND kids. They rent Room 1 on every weekday of the month.
- Our office space is fully utilized, with three rooms currently booked on a monthly basis by Hackney Works, Hackney Libraries and Ek Outreach (shown as office space in the Chart). Additionally, we accommodate private and community events, which may or may not be LDT funded.
