Easter art & crafts!

JOIN A NEIGHBOURHOODS FORUMS ACTION GROUP TODAY!

The Neighbourhoods Forums are looking for people who live in City of London & Hackney to help us shape the way we work and give their voice and input in to making real change in their Neighbourhood

When will you do as a member of an Action Group?

- Talk to residents about their views
- Find out about local services, together.
- Help make decisions about funding.
- Attend meetings to represent the Forums & Action Groups
- Help plan community events
- Work alongside health professionals to help change services.

Neighbourhood Forums give residents & professionals a space to connect, find out what's happening in their area and improve health and wellbeing by working to remove barriers to local services, together.

Action Groups

support the work of the Forums, to make sure things are happening and action is being taken that can help make changes to local health and care services.

Joining an Action Group gives you a chance to get really involved and support your communities health and wellbeing

Projects

- In April we distributed just over 3,044kg of fresh food through Community Fridge, issued 22 Hackney Foodbank vouchers, and supported asylum seekers to cook 105 meals. Some of this food was also shared with the North London Muslim Community Centre who distribute the surplus food to their beneficiaries.
- We continue to support residents with ensuring they are claiming all the benefits they are entitled to, signposting and referrals to local services.
- RNID (Royal National Institute for Deaf People) have started a twice monthly drop-in sessions to do hearing screenings, hearing aid checks and repairs and to gage if a peer support group would be useful.
- Weekly free mindfulness sessions have started as of 9th March. They run on Mondays between 6-7pm. No experience needed, all welcome.
- Over the Easter holidays we delivered 3 Kitchen Social sessions. We distributed 30 food hampers, cooked 40 lunches and delivered a tissue paper flower making class, a jewellery class and a Woodberry Down Bake Off competition!
- The PEEP Learning Together programme supports 2-3 year olds with early language development and parents with home learning materials has started a weekly session for families. Sessions are running till 10th June.
- We are in conversation with Hackney Libraries to host an ESOL reading group.
- We are supporting a tri-borough (Hackney, Haringey and Waltham Forest) community transport focus group with residents/carers/disabled residents/anyone who finds travelling locally difficult to input their views on how community transport can support people across boroughs
- Work has started on our 'community garden'. Thanks to our volunteers we have started to clear the garden and have compiled a list of jobs and equipment needed.

Neighbourhoods Programme:

-Interested in joining or finding out more about the Woodberry Wetlands action group? Check out the flyer or contact Finn on finnuala.k@dtgroup.org.uk.

NottingHillGenesis Funding:

MHDT is delighted to announce that its funding application to NHG has been successful. NHG will be providing funding for a Community Development Manager who will be the go to point for community activities at the centre; funding to subsidise room hire for community groups at the RCC; funding to improve and activate the RCC Community Garden Space; Cooking and Well Being projects. This funding will complement funding awarded by HCVS to continue with the Woodberry Wetlands Health Project for year 26/27.

Community Garden Activation:

MHDT will be working with employees of NHG on a corporate volunteer day to make improvements to the Community Garden at the RCC. The day will improve the experience of regular volunteers and users of the garden.

Seaside Trip:

We are supporting a seaside trip to Broadstairs on Tuesday 28th July run by Lydia from the Luncheon Club. Contact Lydia by popping into the RCC on Tuesdays between 11:00hrs and 14:00hrs or email lunchup347@gmail.com to book a place

Community Survey: Summary

As part of its ongoing commitment to community engagement, the Redmond Community Centre has undertaken a survey to better understand how the centre is experienced and how it can continue to develop in line with local needs. This builds on the centre's established practice of gathering feedback during high footfall periods, including polling days, alongside ongoing engagement through user groups and community partners.

The survey has been designed to maximise accessibility and participation, using paper copies on site as well as an online version shared through local networks and regular hirers. This approach has enabled feedback to be collected from a broad cross-section of residents, including both regular users and those less familiar with the centre.

Early findings, based on an initial sample of responses, are positive. Around 86% of respondents rate their experience as good or excellent, with no negative ratings recorded at this stage. Respondents commonly highlight the centre's welcoming atmosphere, supportive staff, and its role in providing opportunities to connect with others and access activities and services.

Participants have also shared constructive suggestions for future development, particularly around expanding activities and improving accessibility. A full analysis will be shared once the survey has closed and all responses have been reviewed. We are still collecting responses - please access the [survey here](#).

We will use insights from these results along with the WDCO Survey results to inform and review our project, outreach and engagement/accessibility planning.

SUMMARY

- These charts provide data on use of the RCC for the month of April 2026. We host different activities, some of which are open to the public, including church services, prayer meetings, exercise groups and community events. Community event represents events that are open to the public for free or at low cost eg: church, youth group, vegetable collection, yoga etc.
- The graph at the bottom right illustrates the percentage of the booking type we have at Redmond. Our primary bookings are regular reservations, which occur weekly or monthly and are offered at a discounted rate. LDT Funded bookings will be termed as booking that are funded fully or partially by LDT and no/little hiring fee has been charged for these bookings. We have a new regular booking that aims at supporting SEND kids. They rent Room1 on every weekday of the month.
- Our office space is fully utilized, with three rooms currently booked on a monthly basis by Hackney Works, Hackney Libraries and Ek Outreach (shown as office space in the Chart). Additionally, we accommodate private and community events, which may or may not be LDT funded.
