Easter art & crafts!

JOIN A NEIGHBOURHOODS FORUMS ACTION GROUP TODAY!

The Neighbourhoods Forums are looking for people who live in City of London & Hackney to help us shape the way we work and give their voice and input to making real change in their Neighbourhood

When will you do as a member of an Action Group?

- Talk to residents about their views
- Find out about local services
- Help make decisions about funding
- Attend meetings to represent the forums & Action Groups
- Help plan community events
- Work alongside health professionals to help change services

Neighbourhood Forums give residents & professionals a space to connect, find out what's happening in their area and work together to improve health and wellbeing by working to remove barriers to local services, together.

Action Groups support the work of the forums, to make sure things are happening and action is being taken that can help make changes to local health and care services. Joining an **Action Group** gives you a chance to get really involved and support your communities health and wellbeing

Projects

- In May we distributed just over 3,04kg of fresh food through Community Fridge, issued 34 Hackney Foodbank vouchers, and supported asylum seekers to cook 180 meals. Some of this food was also shared with the North London Muslim Community Centre who distribute the surplus food to their beneficiaries.
- We continue to support residents with ensuring they are claiming all the benefits they are entitled to, signposting and referrals to local services.
- RNID (Royal National Institute for Deaf People) have started a twice monthly drop-in sessions to do hearing screenings, hearing aid checks and repairs and to gage if a peer support group would be useful.
- Weekly free mindfulness sessions continue to run on Mondays between 6-7pm. No experience needed, all welcome.
- We are in conversation with Hackney Libraries to host an ESOL reading group.
- We supported residents to attend a tri-borough (Hackney, Haringey and Waltham Forest) community transport consultation. Residents who particularly find it more challenging were able to input their views on how community transport can support people across boroughs.
- Work has started on our community garden! Thanks to our volunteers we have started to clear the garden and have compiled a list of jobs and equipment needed.
- Planning has started on the summer screenings (11th & 12th July) and the summer fun day (11th July)!
- Ice-cream sales to continue to sell well with £184.40 in April and May.

Neighbourhoods Programme:

We had a action group on 26th May which was attended by the Woodberry Wellands health inequalities lead, Wings of Growth CIC, a social prescriber and mental health navigator from MIND. We booked in our action group dates for the year, discussed themes and dates for our next neighbourhood forum and heard about the amazing support Wings of Growth provide to children and families. The focus for our next forum will be on supporting residents with long-term health conditions. You are most welcome to join our next action group on Monday 6th July, 2.30-4pm at the Redmond Community Centre.

Funding bids submitted:

- Green Roots Fund- £50,000 to include and involve local young people to enhance and enrich local green and blue spaces
- Kitchen Social Positive Opportunities- £3,000 to support and expand the summer holiday provision

NottingHillGenesis Funding:

NH-DT is delighted to announce that its funding application to NHG has been successful. NHG will be providing funding for a Community Development Manager who will be the go to point for community activities at the centre; funding to subsidise room hire for community groups at the RCC; funding to improve and activate the RCC Community Garden Space; Cooking and Well Being projects. This funding will complement funding awarded by HCVS to continue with the Woodberry Wellands Health Project for year 26/27.

Seaside Trip:

We are supporting a seaside trip to Broadstairs on Tuesday 28th July run by Lydia from the Luncheon Club. Contact Lydia by popping into the RCC on Tuesdays between 11:00hrs and 14:00hrs or email lunchclub347@gmail.com to book a place

NEWS AND EVENTS: COMMUNITY FEEDBACK

Community Survey: Summary

As part of its ongoing commitment to community engagement, the Redmond Community Centre has undertaken a survey to better understand how the centre is experienced and how it can continue to develop in line with local needs. This builds on the centre's established practice of gathering feedback during high footfall periods, including polling days, alongside ongoing engagement through user groups and community partners.

The survey has been designed to maximise accessibility and participation, using paper copies on site as well as an online version shared through local networks and regular hirers. This approach has enabled feedback to be collected from a broad cross-section of residents, including both regular users and those less familiar with the centre.

Out of 91 responses:

58% rated their experience of the centre good, with 34% rating it excellent

90% of respondents said the centre is a welcoming and inclusive space

29% of respondents said they heard about activities through posters/flyers (the most popular option)

68% of respondents signed up to our newsletter

Participants have also shared constructive suggestions for future development, particularly around expanding activities and improving accessibility.

We will use insights from these results along with the WDCO Survey results to inform and review our projects, funding opportunities and engagement/accessibility planning.

Thank you for everyone that took the time to complete the survey!

SUMMARY

- These charts provide data on use of the RCC for the month of May 2026. We host different activities, some of which are open to the public, including church services, prayer meetings, exercise groups and community events. Community event represents events that are open to the public for free or at low cost eg: church, youth group, vegetable collection, yoga etc.
- The graph at the bottom right illustrates the percentage of the booking type we have at Redmond. Our primary bookings are regular reservations, which occur weekly or monthly and are offered at a discounted rate. LDT Funded bookings will be termed as booking that are funded fully or partially by LDT and no/little hiring fee has been charged for these bookings. We have a new regular booking that aims at supporting SEND kids. They rent Room 1 on every weekday of the month.
- Our office space is fully utilized, with three rooms currently booked on a monthly basis by Hackney Works, Hackney Libraries and Ek Outreach (shown as office space in the Chart). Additionally, we accommodate private and community events, which may or may not be LDT funded.
