Dear WDCO Member,

RE: Annual General Meeting and Elections

Please find enclosed the notice for the Annual General Meeting (AGM) of WDCO, which will be held on 18th June at 7:15 pm at the Redmond Community Centre. There will also be an option to join online if you are unable to attend in person, and we can send you a Zoom link upon request closer to the date.

Most elections for Partnership Working Groups and appointments to outside bodies will take place at the AGM, and you will be able to stand on the day. However, the constitution requires that certain information, including nominations to the WDCO Executive Committee, be provided in advance of the AGM. This letter details the relevant information below.

Elections for the WDCO Executive:

We require all nominations for the Executive to be submitted to us within the next two weeks. Attached is a nomination paper. Following the submissions, nominees (who have accepted their nomination) will have the opportunity to submit a statement, which is optional. I will then share these statements with the Board before the AGM.

Finally, I have attached a briefing note outlining the partnership working groups for which you can stand at the AGM.

Please don't hesitate to contact me or my colleague Simon Slater if you have any questions or queries. My email is roda.hassan@publicvoice.london and mobile is 07715318125, Simon's email is simon.slater@publicvoice.london and his mobile number is 07985 251834.

Yours faithfully,

Roda Hassan
