

We Need a New Member on the Design Committee

What's Happening

We have an opening on the Design Committee. Any board member can volunteer for this role.

What You'll Be Doing

You'll work with other Design Committee members to help review proposed designs for future phases of the regeneration. It's a substantial task working with members from all the partners.

Who Qualifies

- Can you make it to irregular/fortnightly committee meetings
The committee itself may meet during the day for 3 hours. WDCO may enjoy a briefing session beforehand. Consideration of a phase may last for 18 months.
- Do you want to speak up for all residents
- Are you good at working with different groups of people

How to put your name forward

Write us a note (250 words max) that tells us:

1. Why you think you'd be good at this task
2. What relevant experience you bring to the role
3. How you'll make sure everyone's voice gets heard

Also let us know that you can attend most of the committee meetings.

What Makes a Strong Candidate

When voting for the new VC, board members will think about:

- Having a mix of people on the committee that reflects our community
- How well you understand what different residents need
- Your track record of working well with others, especially on WDCO matters

The five current WDCO members are William Sheehy, Phil Cooke, Jackie Myers, Hillary Britton, Andrea Anderson – you will be the sixth

- March 13th: Best to get your application in by this date
